

Meadow Vale Food Group Corporate Introduction

Corporate Profile

Meadow Vale Foods, founded in 1989, is a leading supplier of raw cooked and further processed fresh and frozen poultry and other meat products. Part of a vertically integrated group of agri-food companies Meadow Vale provides quality products first time every time from farm to plate.

From both European, third countries factories we manage the full product cycle from NPD and technical development. Through supply chain management, stockholding, sales, promotion and marketing. We are able to provide both branded and own label products and we aim to work closely with our customers to develop real partnerships.

Privately owned, Meadow Vale is a customer focussed, fast moving organisation able to make quick decisions and respond flexibly to our partner's requirements.
