

Corporate Profile

Meadow Vale Foods is a leading supplier of processed poultry products to both the retail-grocery and foodservice sectors. During the last two decades Meadow Vale had earned an excellent reputation for supplying high quality chicken products to a diverse client base located throughout the European Union.

Meadow Vale currently supplies a core range of over 130 different chicken products to over seven hundred customers. A large proportion of Meadow Vale's product portfolio is produced within the UK by its two subsidiary manufacturing businesses; Ready Foods (North Wales) and Highbury Poultry (Shropshire).

In addition to our own manufacture Meadow Vale sources and imports a range of poultry products from a selection of collaborative partners. With its client's based throughout Western Europe, and satellite offices located in Spain, Thailand, and Turkey Meadow Vale is a truly international food business.

Registered in 1989 Meadow Vale Foods Ltd. commenced trading with a small dedicated team of four individuals under the stewardship of its joint owner Mr. Stephen Wantling. Twenty years on and the business now employes thirty-five people within Meadow Vale Foods Ltd. itself, and over two hundred and fifty within it's manufacturing businesses.

Recently relocated into new purpose built head office premises on the Wrexham Industrial Estate (North Wales), Meadow Vale Foods Ltd. continues to look forward to managing its expansion through a combined strategy of generic growth and further acquisitions...
